

Yetter Coleman LLP is proud to partner with the Association of Corporate Counsel (ACC) South Texas Chapter's Oil & Gas Law Practice Group for a Lunch & Learn CLE presentation:

The Texas Citizens Participation Act: What Every Lawyer Must Know

Many lawyers mistakenly assume the TCPA applies only to suits over First Amendment rights. But in fact it applies across the spectrum of litigation, and increasingly in oil and gas disputes.

This CLE explains why Texas judges have said:

- The “situations to which the TCPA could apply are *endless*”;
- “Any skilled litigator could figure out a way to file a TCPA motion to dismiss in nearly *every case*”; and
- It is “an across-the-board *game-changer* in Texas civil litigation.”

Every Texas trial lawyer must be prepared to wield its power and defend against its traps.
